DAVID D. WHITSON #152350

Dormitory 10-A-40

Second Request Slip about this matter
UNANSWERED:

Captain Larry ADONK.

I wrote you a inmate Complaint dated August 16, 2005,
concerning Classification Supervisor Mark Burton. you did not reply
back to the matter which is about Security, employees' vital role of
Prisoner and Racial Discrimination. I request your respond to that
dated Complaint because it is not a Lt. or Sgt. problem and your actions
do not address anything in writing from an inmate concerning their
employees' R. K. violations misconduct actions.
